

Dear sisters and brothers in Christ,

At Mayfair United Church our ministry continues through these anxious and upsetting times. We continue to hold you all in prayer and are working at new ways of living out God's call to be community during times of crisis.

As you know Mayfair United Church will not be gathering in person for Sunday morning worship. However, we are inviting all of you to join us at 10:30 am each Sunday on YouTube where we will provide a live online worship experience. We hope many of you will join us so we can worship together and continue to join in a new form of community. Please click here to join us:

If you miss our broadcast you can watch the video later by clicking the same link.

In addition we want to remind you that the work of the church continues and that without Sunday morning gatherings we are not able to receive some of your financial offerings. This might be a good time to sign up for Pre-Authorized Remittance(PAR) which allows your offering to come directly from your bank account to ours. You can pick up an authorization form and an envelope in our mailbox at the church or print the form attached to this email. We also encourage you to use our web page to donate to our ongoing ministry. You can go to <https://www.mayfairunitedchurch.org/give> and click Give Now or go to <https://www.canadahelps.org/en/charities/mayfair-united-church/> and click Donate.

Please note our office is closed until further notice although Debbie, our office administrator, will be checking messages and email.

In the next few days Mayfair United will be implementing a phone tree where members of our church will be phoning every household on our list in order to offer a kind word, information and a prayer. Please remember Rev. Shelly and I are available for a phone call and we will be checking our messages at the church regularly. If you know of anyone that is hurting or in need of help please do not hesitate to call one of us and pass the name along.

Again our continued prayers go out to you and we ask that you take care of yourself and others by respecting the Health advisories issued by the Saskatchewan Health Authority.

Yours in Christ,
Rev. Dave Moors
with Rev. Shelly Manley-Tannis
